Doctors and nurses frankly recommend MUSTEROLE for Sore Throat, Bronchitis, Croup, Stiff Neck, Asthma, Neuralgia, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chills, Frosted Feet—Colds of the Chest (it often prevents Pneumonia).

At your druggist's in 25c and 50c jars, and a special large hospital size for \$2.50.

Be sure you get the genuine MUSTEROLE. Refuse imitations—get what you ask for. The Mastervolt Company, Cleveland, Ohio.

LIME AND TUBERCULOSIS

Dr. Roberts Bartholow, former professor in Jefferson Medical College, Philadelphia, and widely famed as a medical writer, says in the eighth edition of his authoritative *Medical Practice* (1907), on pages 215 and 216:

"Clinical experience has shown that (referring to a calcium salt) known as alverine removes certain toxic or morbid materials and secures their secretion by the organs of elimination."

The alverine which has lately been published in respect to its curative powers in consumption is certainly very striking."

Of course, he does not refer to testimony published regarding results obtained through use of Eckman's Alternative, since the medical profession makes it a rule never publicly to recommend proprietary remedies.

However, there is a large accumulation of such testimony, covering many cases of consumption and allied throat and bronchial affections, which seem to have yielded completely to this remedy.

Doubtless this success is due largely to the fact that in Eckman's Alternative a calcium (lime) salt is so combined with other valuable ingredients as to be easily assimilated by the average person.

It contains neither opiates, narcotics nor habit-forming drugs; it is safe to take. Your druggist has it or will get it, or you can order direct.

The Treatment of Influenza or La Grippe

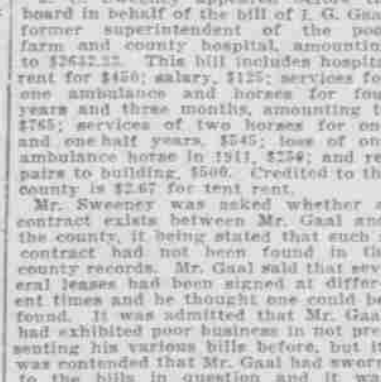

It is quite refreshing these days to read of a clearly defined treatment for influenza or La Grippe. In an article in the *Lancet-Clinic*, Dr. James Bell, of New York City, says he is convinced that too much medication is both unnecessary and injurious.

When called in a case of La Grippe, the patient is usually seen when the fever is present, as the chill which occasionally underlies the disease, has generally passed away. Dr. Bell then orders that the bowels be opened freely with salts. "Acetate" or citrate of magnesia. For the high fever, severe headache, pain and general soreness, one Anti-Kamita Tablet every three hours is quickly followed by complete relief. Ask for A-K Tablets. They are also excellent for headache, neuralgia and all pains.

Blood Troubles Vanish By Powerful Influence

Remarkable Blood Remedy That Drives Every Particle of Impurities Out of Your Entire System From Head to Foot

Strength, Power, Accomplishment Typified by a Famous Blood Purifier

When blood troubles become so firmly embedded in the glands and deeper tissues it calls for the searching influence of S. S. S. to dislodge them.

And there are many reasons why S. S. S. does this. To begin with, the medicine is made of food and air. There is nothing theoretical about this. It has been established as a fact by recoveries from eczema, acne and other skin afflictions, from catarrhs wherever located, from rheumatism of whatever form, from long standing and stubborn eruptive conditions. And even in anemic conditions where the blood has become thin and impoverished S. S. S. exerts a mighty power to excite the blood to refill itself of fresh-producing elements.

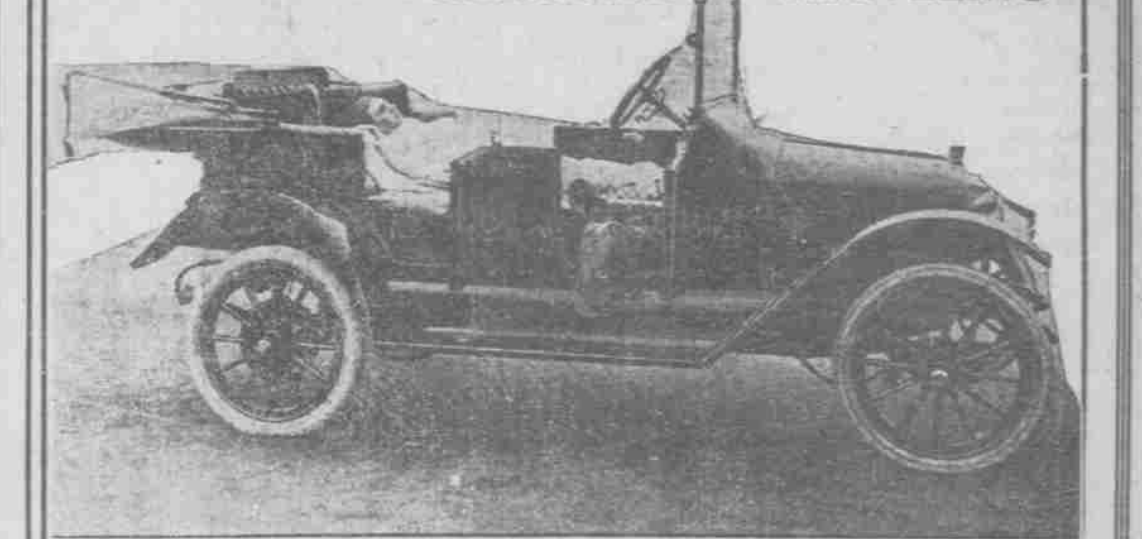

There isn't a well stocked drug or department store anywhere in America but what has sold S. S. S. continuously year after year. It is the most generally recommended remedy known.

Not a drop of minerals is used in this famous preparation and it is thus a remedy that anyone can safely use and can honestly say conscientiously urge his best friend to use it. For this reason when you ask for a bottle of S. S. S., do not be talked into something "just as good," as you will certainly be fooled and deceived.

S. S. S. is prepared only in the laboratory of the Swift Specific Co., 458 Swift Bldg., Atlanta, Ga.

And anyone who is afflicted with any form of blood trouble, may write for free advice on the best method of using S. S. S., together with helpful advice on other matters. This department has been of incalculable benefit to a host of thankful people during the past half century.
